

The Caravan Club South Wales Centre

Dear Ralliers,

Re: South Wales Centre Holiday Rally – L'Oree du Bois, Royan – 23rd July to 9th August, 2009 Limited to 30 spaces

Campsite Description

Location: 45km from Saintes, 20km north of Royan, on outskirts of Les Mathes. Situated only 4km from the superb sandy beaches of the Côte Sauvage, this is a spacious family-run site set in a forest of pines and oaks. The pitches, some with their own individual sanitary facilities, are flat and sandy and are separated by trees, shrubs and hedges. The bar, restaurant and crêperie overlook the swimming pools and large waterslide. A range of activities for the whole family is organised in the high season, including a children's club, aerobics and sports competitions. Theme evenings such as karaokes and discos give the site a lively atmosphere. There is a welcome drink each Saturday evening in July and August. Nearby, the Forêt de la Coubre is perfect for walking, cycling and riding. A cycle track which goes directly to the beach is planned for 2008.

More information about the site can be found on www.select-site.com.

Travelling distance from Caen is approx. 320 miles and Calais approx. 500 miles.
