### Campsite Description

Situated in unspoilt countryside, close to an excellent beach, this is a large, lively site that will appeal to families with children of all ages. The campsite buildings have been designed in traditional Vendéen style and include a spacious bar with a lovely relaxed atmosphere. The pitches are flat and a mixture of sand and grass, separated by shrubs. There is a good pool complex with waterslides, a large poolside terrace and many sporting activities on offer such as tennis, boules, aquagym and scuba diving. Children will love the bouncy castle and the harbour at Jard sur Mer is a lovely spot for a stroll. What’s more, the site is within walking distance of the nearest beach so you can forget about your car if you want to. Evening entertainment, ranging from karaoke to folk bands, is often held in the modern amphitheatre adjoining the spacious bar. Daytime excursions are also arranged from the site to local places of interest. Location: 36km from La Roche-sur-Yon.

More information about the site can be found on [www.select-site.com](http://www.select-site.com).
